**“FITS IN ALL STYLE SHOES + STAYS IN PLACE WITH VELCRO® FASTENERS”**

Ideal for any activity from dress to work to sports, that keeps you on your feet. Including Tennis, Golfing, Rollerblading, Running, Exercising, and Walking. An unbalanced step can lead to stress throughout your body. Spinal misalignment caused by foot pronation, and improper foot balance, can often be corrected with the Pre-Made Orthotics to possibly help prevent ailments.
